Overview

Slowly but surely the UK is waking up to the need to refurbish, renew and develop our Schools, Hospitals and Laboratories. The demand is great and the quality of the furniture is no exception. Many manufacturers find themselves stretched to capacity and this is where Starbank can help.

Starbank are the UK's premier laminate fabricator and CNC component manufacturer. We have unrivalled technology and product offers to compliment the growing needs of manufacturers who outsource component work.

- Compact or Solid Laminates Components
- MFC/MF MDF Components
- Cut, edged, drilled, shaped & CNC'd

...to your exacting specifications.

21st century fabrication for 21st century requirements
