Overview

The Shopfitting & Construction Industries are challenging, fast paced environments where supply chain situations can either make or break the job in hand. Trust, quality, service and flexibility are paramount and something all of us strive to find from our suppliers. Starbank believe in this work ethic, and our growth in the supply of components to the shopfitting and building industries over the past 30 years is proof of that.

From a sub contract component supply basis we offer an unrivalled service, nationwide, in the following areas:

- Postforming & Edgebanding
- MFC/MF MDF Components
- Cut, edged, drilled, shaped & CNC'd

Via Contractors we have supplied components to:

Asda Allders Boots Dixons
John Lewis Marks & Spencers Matalan Morrisons
Tesco Major Banks & Building Societies

...to name just a few.

Starbank are long standing members of the BLFA, BCFA and ASFI and we also hold full FSC & PEFC chains of custody for environmentally sound componentry supply.
